Lesław GNIEWEK

Open Access **Journal of Mathematics and Applications (JMA)** publishes original research papers in the area of pure mathematics and its applications. Two types of articles will be accepted for publication, namely research articles and review articles. The authors are obligated to select the kind of their articles (research or review).

Manuscript, written in English and prepared using LaTeX, may be submitted to the Editorial Office or one of the Editors or members of the Editorial Board.

Electronic submission of pdf file is required.

Detailed information for authors is given on the last page.

Editor-in-Chief
Journal of Mathematics and Applications
Józef BANAS (Poland)

Editorial Committee (Subject editors)

Jarosław GÓRNICKI (Poland)

(Functional Analysis and Fixed Point Theory)

Leszek OLSZOWY (Poland)

(Mathematical Analysis and Differential Equations Theory)

Beata RZEPKA (Poland)

(Diferential and Integral Equations)

Iwona WŁOCH (Poland)

(Discrete Mathematics)

Statistical editor
Mariusz STARTEK (Poland)

Editorial assistant
Tomasz ZAJĄC (Poland)

Members
Szymon DUDEK (Poland), Rafał NALEPA (Poland)
Krzysztof PUPKA (Poland)

Language editor
Johnny HENDERSON (USA)

Text prepared to print in L^AT_EX
by Szymon Dudek and Rafał Nalepa

The printed version of JMA is an original version.
