CO-AUTHOR STATEMENT CONCERNING THE GRANTING OF A LICENCE TO USE THE WORK FOR MULTIPLE PUBLICATION AND DISTRIBUTION

§ 1

I, the undersigned:

first name and last name _____

e-mail: _____

affiliation (degree/title, name and address of the university)_____
_____

ORCID number_____

- hereinafter referred to as **the Co-author,** I declare that:

1. Together with other authors indicated in sec. 2 I wrote a work entitled: _____
_____,
hereinafter referred to as **the Work.**

2. The other co-authors of the Work are:

1) _____,

(first name and last name)

2) _____,

(first name and last name)

3) _____,

(first name and last name)

4) _____,

(first name and last name)

5) _____,

(first name and last name)

3. My proprietary copyrights to the Work are not limited to the extent covered by this statement.

4. The Work is an original work, is free from legal defects and does not infringe any rights of third parties, nor does it contain any borrowings from other works.

5. The Work has not been published anywhere, in whole or in part, and has not been transferred to another entity for publication.

6. The material contained in my part of the Work, in particular text, tables, illustrations, photographs, drawings, maps, charts, diagrams - is my property.

7. In the event of any third party making any claim against Ignacy Łukasiewicz Rzeszów University of Technology, al. Powstańców Warszawy 12, 35-029 Rzeszów, NIP: 8130266999, REGON: 000001749, hereinafter referred to as the Publisher, for infringement of copyright or other rights of third parties related to the Work, I will take the necessary steps to release the Publisher from liability, including

joining pending lawsuit, and I will reimburse the Publisher for all costs and losses incurred by the Publisher in connection with such claims.

8. The work was created to the best of my knowledge and skills and in accordance with the rules applicable to the creation of works of this kind. The Work in the digital version has been prepared at the level of content, form and language required for the publication of works of this type, in a programme agreed with the Publisher in accordance with the guidelines in force at the Rzeszów University of Technology Publishing House.

9. I acknowledge that Ignacy Łukasiewicz Rzeszów University of Technology is the Publisher of the magazine entitled _____, hereinafter referred to as the Publication.

The Publication is an Open Access journal and free, unlimited access to its content is possible without any restrictions.

§ 2

1. I consent to the Publisher publishing the Work in the Publication.

2. I grant, free of charge, to the Publisher a non-exclusive, perpetual licence to use my part of the Work nationally and internationally, for multiple publication and dissemination in all known media, under the terms of the Creative Commons licence (CC-BY 4.0), including the following fields of exploitation comprising:

1) the right to publish the Work in print in book and digital form and to distribute it in book and digital form, including by displaying, playing, broadcasting, making it publicly available by the Publisher and third parties,

2) the right to record and reproduce all or part of the Work on paper and in the form of a digital record and in any other possible way by the Publisher,

3) the right to enter the Work into computer memory and save the Work in the IT systems of the Publisher and other entities distributing digital content,

4) the right to archive the Work and make copies of the Work on electronic media by the Publisher, without quantitative restrictions,

5) the right to digitise the Work and to perform conversions/transformations of the Work in electronic form into other digital formats by the Publisher and third parties,

6) the right to distribute the Work, including via the Internet or other ICT networks by the Publisher and other third parties, in a way that allows viewing, reading, copying the content of the Work in electronic form, i.e. all elements belonging to it, whereby copying shall be understood as the saving of the Work made available to an interested person on a medium of their choice,

7) the right to store the Work in the database of the Publisher and other entities distributing the Work in any form, as well as its processing in the database of the Publisher and third parties,

8) right to translate and publish the Work in one of the modern languages in any form by the Publisher and third parties.

I hereby give my consent to the Publisher to make any necessary changes to the Work resulting from the editorial requirements, stylistic, grammatical and linguistic changes that do not affect my rights.

3. I agree that the Publisher may make any necessary changes to the Work resulting from editing and editorial requirements, as well as stylistic, grammatical and linguistic changes that do not infringe upon my personal copyright in the Work.

4. I undertake not to infringe the rights of the Publisher specified in this statement.

§ 3

1. I consent to the processing of my personal data by the Publisher for purposes connected with the publication of the Work.

2. To the extent not covered by this statement of the Co-author, the Acts on Copyright and Related Rights, the Civil Code and the provisions of the Rules and Regulations of the Rzeszów University of Technology Publishing House shall apply.
